Dear Mark,

I am deeply grateful for the very generous \$2500.00 gift in support of the Sixth Annual Food Industry for Covenant House Golf and Tennis Outing. Thanks to you, the event was a great success and we will spend another year saving a lot of precious young lives.

Since its doors first opened, Covenant House has reached out to more than 400,000 troubled kids, giving them a chance to start over. We've fed them, loved them and helped them begin new and better lives. Watching despair turn to hope, tears turn to smiles and dreams become reality is what Covenant House is all about.

Thanks again for making the Golf and Tennis Outing -- and the past 25 years -- a great success. I will be keeping you in my prayers. Please keep us in yours.

Gratefully,

Sister Mary Rose McGeady, D.C.
President
